Dear Parents,

Please consider helping chaperone on this trip. We need two chaperones to be available to help students while at the game and while traveling.

Please sign and return this itinerary. This is our first trip of this year. Students are expected to follow all guidelines in the Student Handbook and the Band Handbook.

Snacks and drinks are allowed and encouraged for 3rd period. We should remember at all times that we represent our school and community. We will always behave with pride and class.

Mr. Wilson
