Dear Middle School Band Parents:

We have a parent meeting Tuesday evening, October 26, at 6:30. The meeting will be in the High School Band Hall because of the size of the room and because some parents will be working the concession stand for volleyball. We will be discussing many things that will affect your student this year and it is important that you attend. Some of the subjects for discussion will include band trips for the year and how those trips will be paid for. We have a great band program, but it needs the support of great parents to reach its full potential. Decisions will be made and questions answered but you need to be there. We will do our best to keep the meeting as short as possible. Please keep track of band activities at www.buckband.com. We will begin posting middle school band information next week and it will be updated each week. You can also “friend” the band on face book for daily updates and pictures. If you would like to be on the Band e-mail list please send a note to Mr. Wilson at wcwilson@alpine.esc18.net. You will be placed on the e-mail list and receive an electronic version of information sent home as well as announcements about the bands at both campus’.

Thank you for supporting your student in band. It is your students that make the program great. Mrs. Azar and I look forward to seeing you at the meeting.

Sincerely,

Chuck Wilson
