**EXTRA CREDIT!**  
Students may earn extra credit by practicing extra time. One point for every extra 5 minutes, up to 10 points.

## PRACTICE SHEET

In order for a student to receive a 100, they need to practice for 1 hour a week (sectional time will count but must be initialed by the director). But, if all of the time is practiced on one night, the highest grade earned will be an 85. Practice sheets without parent/guardian signatures will not be accepted.

Practice sheets are due every Thursday. **Late sheets will have 30 points taken off and will only be accepted through Friday.**
